PRODUCT	Mortgage prequalification estimate
MEANING	An estimate; not approval or a commitment to lend.
CONDITIONS	Credit approval, verification, and underwriting required.
CAMPAIGN USE	Affiliate social image linked to a prequalification page.
EXCLUDED CLAIMS	No rate, APR, down payment or monthly payment advertised.
REFERENCE OWNER	Fictional ClearPath Product team / Maya Chen review fixture

MARKETING CONTEXT

The campaign must preserve the distinction between a preliminary estimate and an actual lending decision. A destination URL alone is not a rendition of the page consumers will see. The seeded case is waiting for that rendered destination.

Authored fixture supplied by the fictional ClearPath Product team. These facts are a demo reference, not a real offer, legal opinion, or automated compliance verdict.
