REFERENCE OWNER	Fictional ClearPath Product team / Maya Chen review fixture

MARKETING CONTEXT

No zero-fee variant exists in this fictional offer. "No origination fee" conflicts with this reference. Customer creative in the revised sample states that a fee applies without advertising a payment, rate, APR, or numerical finance charge. No APR or payment calculation is implied by the internal proceeds example.

Authored fixture supplied by the fictional ClearPath Product team. These facts are a demo reference, not a real offer, legal opinion, or automated compliance verdict.
